

Because dogs savor the world through scent, we make gently aromatic plant-inspired remedies that comfort dogs and their humans without overwhelming their sensibilities.

Guard Well[®] is a must-have in your first aid & wellness kits:

- Cuts, scrapes, scratches, hot spots or dry skin
- Sneezing, itching, allergies, yeasty ears
- Exposure to environmental irritants
- Support wellness

Why dog lovers and professionals recommend Guard Well[®]:

- Made in the USA with 100% plant-derived ingredients
- Safe for canine, equine & human use after 10 weeks of age
- Complementary with & alternative to hemp-based products
- Responsibly formulated by one of the pet industry's most experienced aromatherapists

100% pure essential oils selected have been clinically tested:

- Melaleuca quinquenervia (Niaouli MQV), Ravensara aromatica (Ravensara), and Boswellia carterii (Frankincense)
- Tested to help soothe minor skin and respiratory problems

Guard Well[®] pure essential oil blend is ready to diffuse in your home, business or shelter:

- Follow diffuser manufacturer's directions
- Use in well-ventilated area for 15 minutes 2-3 times daily, no longer than 1-2 hours to support wellness
- External use only. Keep out of reach of children and pets. Not for use with cats, birds, fish, reptiles or small mammal habitats. Keep out of eyes and ears. Not for use on skin unless diluted.

Water-based spray is now made with a sunflower-honeysuckle preservative system:

- Local application: spray 1 or 2 mists directly onto irritated skin, and repeat as needed
- Systemic application: spray 1 or 2 mists onto your fingertips and massage the dog's outer ears twice daily; use as needed

Roll-on base of coconut oil absorbs quickly, doesn't stain or leave sticky residues & has a long shelf-life:

- Local use: apply with fingertips, or roll directly onto irritated or itchy areas; reapply as needed
- Systemic use: apply to outer ears twice daily as needed

Precautions: For external use only. Keep out of eyes and ears. Store away from heat and direct sunlight. Keep out of reach of children and pets. Not recommended for use with cats, birds, fish, reptiles or rodents. MSDS available on request.
