

Because dogs savor the world through scent, we make gently aromatic plant-inspired remedies that comfort dogs and their humans without overwhelming their sensibilities.

**Canine Calm<sup>®</sup> can help relax & comfort dogs during non-routine, fearful or unsettling times:**

- Thunderstorms, fireworks or other loud noises
- Boarding, grooming or visits to the veterinarian
- Training, holidays, parties or house guests
- Rescue or adoption, crating, hospice or separation

**Why dog lovers and professionals recommend Canine Calm<sup>®</sup>:**

- Made in the USA with 100% plant-derived ingredients
- Safe for canine, equine & human use after 10 weeks of age
- Complementary with & alternative to hemp-based products
- Responsibly formulated by one of the pet industry's most experienced aromatherapists

**100% pure essential oils selected have been clinically tested:**

- Citrus bergamia (FCF Bergamot), Citrus reticulata (Tangerine), Lavandula angustifolia (Lavender), Pelargonium graveolens (Geranium), Origanum majorana (Marjoram), Cananga odorata (Ylang Ylang)
- Tested to help promote relaxation, reduce agitated behavior, improve mood & calm fears; may help reduce odors & nervous bladder issues

Precautions: For external use only. Keep out of eyes and ears. Store away from heat and direct sunlight. Keep out of reach of children and pets. Not recommended for use with cats, birds, fish, reptiles or rodents. MSDS available on request.

These products have not been evaluated by the U.S. FDA, and are not intend to diagnose, treat, cure or prevent any disease, nor intended to replace proper medical or veterinary treatment.

**Canine Calm<sup>®</sup> pure essential oil blend is ready to diffuse in your home, business or shelter:**

- Follow diffuser manufacturer's directions
- Ready to diffuse in well-ventilated areas for as little as 15 minutes, no longer than 2 hours
- External use only. Keep out of reach of children and pets  
Not for use with cats, birds, fish, reptiles or small mammal habitats.  
Keep out of eyes and ears. Not for use on skin unless diluted.

**Water-based spray is now made with a sunflower-honeysuckle preservative system:**

- At the first sign of upset, spray 1 or 2 mists on your fingertips and gently massage the dog's outer ears. If you don't see desired results within 10 minutes, reapply as needed.
- Lightly mist a favorite blanket, bandana or crate bedding, and repeat as needed
- Mist pant legs or hands before greeting or handling the dog

**Roll-on base of coconut oil absorbs quickly, doesn't stain or leave sticky residues & has a long shelf-life:**

- At first sign of upset, roll onto fingertips and apply to outer ears, chest or paws
- Reapply as needed
