

Because dogs savor the world through scent, we make gently aromatic plant-inspired remedies that comfort dogs and their humans without overwhelming their sensibilities.

**Travel Calm<sup>®</sup> can help travel shy dogs unwind and settle during all forms of travel:**

- Fear of confinement or the sight of a vehicle
- Agitation from noise, movement or vibration
- Drooling, panting, whimpering, pacing, bolting
- Restlessness, nausea or vomiting

**Why dog lovers and professionals recommend Travel Calm<sup>®</sup>:**

- Made in the USA with 100% plant-derived ingredients
- Safe for canine, equine & human use after 10 weeks of age
- Complementary with & alternative to hemp-based products
- Responsibly formulated by one of the pet industry's most experienced aromatherapists

**100% pure essential oils selected have been clinically tested:**

- Citrus reticulata (Tangerine), Lavandula angustifolia (Lavender), Zingiber officinale (Ginger), Pelargonium graveolens (Geranium), Origanum majorana (Marjoram)
- Tested to help address stomach upset & travel-induced excitement, promote relaxation, reduce agitated behavior, improve mood & calm fears

**Travel Calm<sup>®</sup> pure essential oil blend is ready to diffuse in your home, business or shelter:**

- Follow diffuser manufacturer's directions
- Use in well-ventilated areas for up to 2 hours before traveling
- External use only. Keep out of reach of children and pets. Not for use with cats, birds, fish, reptiles or small mammal habitats. Keep out of eyes and ears. Not for use on skin unless diluted.

**Water-based spray is now made with a sunflower-honeysuckle preservative system:**

- About 30 minutes before departure, lightly mist your fingertips and gently massage the dog's outer ears. If you don't see results within 10 minutes, repeat as needed.
- Lightly mist the dog's crate bedding, and repeat as needed

**Roll-on base of coconut oil absorbs quickly, doesn't stain or leave sticky residues and has a long shelf-life:**

- About 30 minutes before departure, roll onto fingertips and apply to ear flaps or chest
- Reapply as needed

Precautions: For external use only. Keep out of eyes and ears. Store away from heat and direct sunlight. Keep out of reach of children and pets. Not recommended for use with cats, birds, fish, reptiles or rodents. MSDS available on request.
